Criminal Misc. Application No. 210 of 2001
(Old No. 1927 of 1998)

Hon'ble Irshad Hussain, J.

None appear for the petitioner.

Proceedings were initiated under section 133 of the Code of Criminal Procedure and the City Magistrate, Haldwani passed an order directing that the proceedings shall be deferred till the decision of a competent Court in the matter in issue. The revision was filed before the District Judge/Sessions Judge which was decided on 3.1.1998, whereby the direction of the City Magistrate was set aside. In view of this, the parties were relegated to the position that the matter would be heard and decided by the City Magistrate according to law. Considering this, the petition has no force and the matter shall be disposed of by the City Magistrate, Haldwani according to law. With this direction, the petition is disposed of accordingly.
